Vision and Mission

MISSION

Our Mission at MP Logistics is to redefine the future of logistics, becoming the industry leader in transformative solutions that transcend boundaries. We aspire to build a global network that seamlessly integrates.

VISION

Driving supply chain excellence through smart transport and technology to reduce freight costs, enhance service, and boost productivity—empowering our clients' growth. Aspiring to be Vietnam's leading tech-driven supply chain partner with efficient, integrated, and low-carbon logistics solutions.

Core Value

Quality – Reliability – Respect

MP Logistics focuses on optimal service quality – the foundation of strong customer satisfaction and trust.

Professionalism

We consistently pursue excellence and thoroughness, delivering superior service in the market and upholding the highest standards of professionalism.

Integrity and Honesty

Integrity and honesty are the foundation of success, through personal accountability in every commitment to customers, the company, and the work itself.
